A Sale That Means

CHILDREN'S
CAPS

Something to the Public and to Us

To us it means a closing out of hundreds of pieces of short lengths, half pieces and pieces that haven't gone as quickly as we thought they ought to.

To you it means an opportunity to save on good, clean merchandise—merchandise that is of the season's best style.

The selling prices quoted are not always below cost—the public understand right well we are in business for a profit—but it is a fact our prices on individual sales are very small.

All through this advertisement you will find advantages that will satisfy you and give you confidence in our advertising, although we do not use the words "Half Price," "Bargains," "Great Loss," etc.

Mr. and Mrs. Bertie S. Boyce of Wells River arrived in this city Saturday evening on their wedding trip. They were married at Groton Saturday noon by the Rev. Mr. Hough of that place. The bride was formerly Miss Arvilla E. Aldrich of Groton. The groom is a well known young farmer of Wells River, he being also well known in this city, having, some time ago, been a carpenter employed by C. L. Bugbee. The happy couple are visiting at the home of the groom's brother, Hugh Boyce, of Highland avenue.

My many years' experience in this particular spot has convinced me that I have been overlooking the interests of the children, who are responsible in a great measure for my placing this business where it is today—at the top.

Time and again have I been impressed with the fact that a large percentage of the goods sold are purchased by children, and just as often have I thought that I would like to make some special concession to these "little boosters" for making this store their buying center.

I number among my best customers, to-day, the child-customer of yesterday.

I have at last devised a plan whereby I can show my appreciation, in a practical and substantial way, of the assistance these little people have given this store.

I am going to make every girl and every boy who make their purchases here "silent partners" in this business and pay to them regular dividends in cash. This is what is meant by "The McLean Way."

I have placed in my store a mechanical cashier, which was constructed by The National Cash Register Co. to my express order. This cashier will give you a printed receipt for each purchase you make showing the amount of your purchase. Keep these receipts until they amount to TEN DOLLARS, then hurry to the store and hand them to the first clerk you meet and he will pay you your dividend of Twenty-five Cents in Cash.

Remember that your receipts must represent Cash Purchases. Start your collection today and you will soon have that bill or "that ball" which you have wanted for so long, or better still, start a bank account. It's easy when you try "The McLean Way." My prices are the same as they have always been—you know what that means. Yours very truly,

W. J. McLEAN,

(200 North Main St.)

MANAGER FOR THE "SILENT PARTNERS."

ATTENTION, UNION MEN!

Do you, when enjoying your pipe or having a chew of tobacco, ever think of the conditions that Tobacco is made under? Don't you think the tobacco workers should have fair wages and fair conditions, the same as you enjoy as union men? If so, be sure and demand Union-made Tobacco, bearing the union label. By doing so you will help to do away with the strike-breakers, and if you don't you are unfair to organized labor yourself.

Here are a few of the brands we do not patronize: Mayo's H. O., Mechanic's Delight, Old Penney.

Smoked Shoulder!

Possibly everybody doesn't know it, but a Smoked Pork Shoulder is just about as good as a Smoked Ham and it doesn't cost nearly so much. Of course it makes a difference where the Shoulder was smoked. A Western Smoked Shoulder doesn't have the bone or fat taken out of it and still retails for 12 1/2 cents per pound, but the Green Mountain Brand has the bone taken out and all the fat cut off, so that you get your money's worth of clear meat. That is the brand we sell—the Green Mountain—and what is more, we do not ask any more for it than is asked for the Western Shoulder.
